Sunrisers Hyderabad captain David Warner credited his bowlers after his side registered a massive 10-wicket win over Gujarat Lions on Thursday night. Opting to bowl, Bhuvneshwar Kumar's four for 29 helped SRH restrict Gujarat Lions to 135 for eight on a two-paced track.

Boosted by his team's bowling performance, Shikhar Dhawan too roared back to form to hit an unbeaten 53 as SRH posted their second successive victory in the Indian Premier League 2016. Skipper Warner too continued with his rich vein of form to hit 74 not out off just 48 balls.

I have to give credit to the bowlers. Gives us a great opportunity to play the way we want to play with the bowlers restricting the opposition. Our bowlers were fantastic. Bhuv and Fizzy, his change of pace is very different. I faced him in Bangalore and he tried to knock my block off. It's a great art to change the pace as he does.

Proud of the way the bowlers are bowling and if we keep

chasing totals like this, we'll go a long way in the tournament," Warner said.

Man of the Match Bhuvneshwar Kumar was elated with his performance and said Aaron Finch's wicket was a big boost.

It was a big boost. He was the one who scored runs for them, won all three matches for them. Wanted to get him early on. Heavily dependent on top three, they are. If we could get them out, the team wouldn't score too many," Bhuvneshwar said.
